7. The student agrees to pay extra instructional charges of \$12.50 an hour for each hour needed to complete requirements beyond the calculated completion date, which is based upon an 80% standard attendance rate. Sick Policy

If you are sick, we ask that you do not come to school. If you are showing signs of illness, please stay home and come back when you are recovered. If you miss more than consecutive 3 days a Dr. note is required to return. Illness is defined as a physical condition that affects your ability to perform your job duties safely and effectively. If you are unsure whether your symptoms constitute an illness, you should consult with a healthcare professional and follow their advice on whether you should stay home. Some symptoms can be associated with allergies. It is important for you to use your best judgment and seek medical advice if you are uncertain whether your symptoms are related to an allergy or an illness. If you have a known allergy that causes symptoms, you should inform the Academy Director so that appropriate accommodations can be made if necessary or notated. However, if you are experiencing any symptoms that could be indicative of an illness it is best to err on the side of caution and stay home until you have recovered or have been cleared by a medical professional.

- If you are exhibiting symptoms of a contagious illness, such as a fever, cough, sore throat, or runny nose that is in combination with other symptoms, please notify the Academy Director immediately.
- If you test positive for a contagious illness, you must inform the Academy Director as soon as possible and follow all relevant government regulations regarding self-quarantine, contact tracing, and testing.
- If you become ill while at school, you should notify the Academy Director immediately and leave as soon as possible.
- You must maintain good personal hygiene and take preventive measures to avoid the spread of infectious disease in the workplace.

The Academy Director is responsible for enforcing this policy and ensuring everyone is aware of it. If you are not able to connect with the Academy Director, please go to another Director at the school.

Any person who violates this policy may be subject to disciplinary action, up to and including termination.

Conclusion: This policy is designed to protect the health and safety of all employees, students, and customers by preventing the spread of infectious diseases at the school. Anytime missed will be unpaid time off. We expect all to comply with this policy and to take all necessary precautions to maintain a safe and healthy environment.

Leave of Absence Policy

Hair Lab Detroit Barber School prides itself in preparing the students for a real-life work experience during training. Therefore, to take a leave of absence, a student must follow the institution's policy by requesting a leave of absence form from the academy director and submit in writing along with a doctor's note with the medically necessary reason and time requested for the students requested leave at least one week in advance unless for reasons of unforeseen circumstances and include the student's signature. The academy director in conjunction with the board of directors will review the request for the leave. Please note that the academy does not have to grant a leave of absence. If the student takes an unapproved leave of absence, the student will be withdrawn. Hair Lab Detroit Barber School may grant an LOA to a student that does not provide the request prior to the LOA due to unforeseen circumstances as long as the student and the school document the reason for the decision. Hair Lab Detroit Barber School will collect the request at a later date. The beginning date of the approved LOA will be determined by the first date the student was unable to attend the academy. A student granted a LOA that meets these criteria is not considered to have withdrawn and no refund calculation is required at this time. The minimum leave of absence is 14 calendar days and the maximum leave of absence cannot exceed 179 days in any 12 month period. There must be a reasonable expectation the student will return from an LOA in order for it to be approved. The student will need to work with the academy director if a leave will need to be extended. This would require an additional doctor's note with the medically necessary reason and additional time requested off. This will depend on the amount of time remaining and a case-by-case basis.

Hair Lab Detroit Barber School will not assess the student any additional institutional charges as a result of an LOA. Should the academy grant a leave of absence, each day of authorized leave must be taken in succession. Hair Lab Detroit Barber School will extend the students contract period by the same number of days taken in the LOA. All parties must initial changes to the contract period on the enrollment agreement or an addendum must be signed and dated by all parties. If a student goes over the contracted leave policy, they will be withdrawn from school and will lose their title IV funding. Financial obligations must be met during a leave of absence to remain in good standing with the school. An authorized LOA will extend the contract period and maximum time frame by the same number of days taken in a Leave of Absence. The student will be allowed to return to school and continue where they left off in training.

The following criteria will be used to base a decision on whether management will approve a student's request for a leave of absence:

1. Serious medical reasons deemed necessary by a physician
2. Maternity Leave

SAP-Satisfactory Academic Progress Policy

The Satisfactory Academic Progress Policy is consistently applied to all full-time and part-time students enrolled in the program whether participating in Title IV programs or not. The SAP Policy is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the Middle States Association Commissions on Elementary and Secondary Schools and the federal regulations established by the United States Department of Education. Students can request at any time access to their satisfactory progress evaluation results.

Evaluation Periods

Students are evaluated for Satisfactory Progress periodically through the program. Evaluations will determine if the student has met the minimum requirements for satisfactory progress. In addition to SAP evaluations, students will also receive monthly progress reports advising them on their status as of the current month. Written Evaluations are given to every student at the end of the evaluation period and will notify the student of any results that impact their eligibility for Title IV funds. The first evaluation will occur no later than the midpoint of the program. Evaluation periods are based on actual hours completed. Course Evaluation Periods are as follows:

Barber- 450hr/900hr/1350 clocked (actual) hours*

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Academic Year of Barber Program

| Year | 1 | 2 |
|----------------|-------|----------|
| Barber Program | 1-900 | 901-1800 |

Maximum Time Frame

The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at satisfactory progress is stated below:

Barber –1800 Clock Hours
 $33.75 \text{ (Full Time- 1800 hours)} = 67 \text{ weeks or 2250 hours}$
 Attending Monday - Friday 9:00am – 4:15pm

Students who exceed the maximum time frame agree to pay extra instructional charges of \$12.50 an hour for each hour needed to complete requirements beyond the calculated completion date, which is based upon an 80% standard attendance rate. Transfer hours from another institution that are accepted toward the students' educational program, are counted as both attempted and completed hours for the purpose of determining when maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

Attendance Progress Evaluations

Students are required to attend a minimum of 80% of the hour's possible based on the applicable attendance schedule to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. Evaluations are based on the cumulative attendance percentage as of the last day of the evaluation period. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Academic Progress Evaluations

Students are required to maintain a cumulative 80% in Academics at the end of the evaluation period to be considered maintaining Satisfactory Academic Progress. Students are given written tests and a minimum number of practical experiences. Written tests are evaluated after Launch and Shop Life, as well as all theory tests. For practical work, students are given a monthly student passport, which consists of several clinical practical applications. These clinical services pass or fail based upon the criteria for grading practical work. If a service fails, the student has the opportunity

to correct a mistake for a passing score. At the end of the month, the student will be given a grade percentage based upon the number of services completed against the total number of services required on the grid. Students are required to turn their grid in by the 25th of each month regardless of whether the grid is completed. Grades will then be recorded and what the student got is their score for the month. We do not allow grids to be made up. At the end of the second evaluation period, the student must have an 80% or higher to continue to receive Title IV funds.

Determination of Progress Status

Students meeting the minimum requirements for academics (80%) and attendance (80%) at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. If a student is not meeting minimum requirements, they may be placed on financial aid warning or financial aid probation depending on the case of the situation and the program they are in.

SAP Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on a SAP Warning and may continue to receive assistance under the Title IV programs for one payment period despite the determination that they are not making satisfactory progress. At the end of the payment period the student must meet the school's satisfactory progress standard to continue to qualify further for Title IV program funds. If they fail to meet the school's satisfactory progress, they can appeal and await a decision.

SAP Probation

Students who fail to meet minimum requirements for attendance or academic progress following a payment period in which a student was on a SAP warning, the school will place the student on SAP probation if the student prevails upon appeal and will disburse Title IV program funds for one payment period to the student if the Financial Aid Office evaluates the student and determines that the student should be able to make satisfactory progress during the subsequent payment period. Hair Lab Detroit Barber School will develop an academic plan, that if followed will ensure that the student is able to meet the institution's SAP requirements by a specific point within maximum timeframe for the individual student. If a student does not make satisfactory progress at the end of the payment period, they will not be allowed to receive Title IV program funds for the subsequent payment period. Students who do not achieve the minimum standards are no longer eligible for Title IV, HEA program funds, if applicable, unless the students are on warning or have prevailed upon appeal of the determination that has resulted in the status of probation.

SAP Appeals

If a student is determined to not be making satisfactory progress after SAP warning, they can appeal the determination. The student must immediately submit a written appeal to the school's Financial Aid Office with supporting documentation of the reasons why the determination should be reversed, why they failed to make satisfactory progress and what has changed in their current situation that will allow them to demonstrate satisfactory progress at the next evaluation period. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, they will be placed on financial aid probation. It must be determined that satisfactory academic progress standards can be met by the end of the subsequent evaluation period. If the student does not prevail, they will be terminated from the Academy. Students may appeal based upon death of a relative, an injury or illness of the student, or other allowable special circumstances

Financial Aid Ineligibility

Students who fail to meet minimum requirements for attendance or academic progress after financial aid probation are deemed ineligible to receive Title IV funds. Additionally, all loans go into repayment immediately. At this point, the student will be offered a financial plan to finish the balance owed to the Academy to remain enrolled. All decisions will be made at the school discretion.

Re-establishment of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the evaluation period.

Interruptions, Course Incompletes, Withdrawals, or Transfer credits

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and max time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and

wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Transfer credit hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

Re Entry

Students who are dropped or withdrawn from the Academy have an option to reenter. A student must submit all applicable documents on the Re Entry form to the Academy Director. The decision will be made on a case-by-case basis. If approved the students will return to Hair Lab Detroit Barber School in the same status that the student left (tests, grids, attendance %).

Noncredit and Remedial Courses

Noncredit and Remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory progress standards.

These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. The student (or parent or guardian if the student is a dependent minor) has access to the student record. The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the Academy receives a request for access. A student should submit to the Director of the Academy a written request that identifies the record(s) the student wishes to inspect. The Director will make arrangements for access and notify the student of the time and place where the records may be inspected. All record reviews will be scheduled during regular school hours under appropriate supervision. If the Academy official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of the final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. 4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable.

Arbitration Agreement and Waiver of Jury Trial

Any dispute a student may bring against Taylor Andrews Academy, or any of its parents, subsidiaries, officers, directors, or employees, with the exception of claims or lawsuits related to or concerning a borrower defense claim or based on an act or omission of the College that relates to the making of a Direct Loan for enrollment at the College, no matter how characterized, pleaded or styled, shall be resolved by binding arbitration conducted by the American Arbitration Association (the "AAA"), under its Consumer Arbitration Rules ("Consumer Rules"), and decided by a single Arbitrator. The arbitration hearing will be conducted in Utah.

Student agrees that neither them nor anyone else who later becomes a party to this pre-dispute arbitration agreement will use it to stop you from bringing a lawsuit concerning our acts or omissions regarding the making of the Federal Direct Loan or the provision by us of educational services for which the Federal Direct Loan was obtained. Students may file a lawsuit for such a claim or you may be a member of a class action lawsuit for such a claim even if you do not file it. This provision does not apply to other claims. Student agrees that only the court is to decide whether a claim asserted in the lawsuit is a claim regarding the making of the Federal Direct Loan or the provision of educational services for which the loan was obtained.

Student agrees not to use any pre-dispute agreement to stop you from being part of a class action lawsuit in court. They may file a class action lawsuit in court or may be a member of a class action lawsuit even if they do not file it. This provision applies only to class action claims concerning our acts or omissions regarding the making of the Federal Direct Loan or the provision by us of educational services for which the Federal Direct Loan was obtained. Student agrees that only the court is to decide whether a claim asserted in the lawsuit is a claim regarding the making of the Federal Direct Loan or the provision of educational services for which the loan was obtained.

The Federal Arbitration Act ("FAA") shall govern the interpretation, scope, and enforcement of this Agreement. Any and all disputes concerning the interpretation, scope, and enforcement of this Agreement shall be decided exclusively by a court of competent jurisdiction, and not by the Arbitrator.

Both Hair Lab Detroit Barber School and student explicitly waive any right to a jury trial for all claims that are not a borrower defense claim or based on an act or omission of Hair Lab Detroit Barber School that relates to the making of a Direct Loan for enrollment at Taylor Andrews Academy. Students understand that the decision of the Arbitrator will be binding, and not merely advisory. The award of the Arbitrator may be entered as a judgment in any Court having jurisdiction.

This Agreement does not affect either party's right to seek relief in small claims court for disputes or claims within the scope of the small claims court's jurisdiction.

The costs of the arbitration filing fee, Arbitrator's compensation, and facilities fees that exceed the applicable court filing fee will be paid by Taylor Andrews Academy.

Students agree that any dispute or claim they may bring shall be brought solely in their individual capacity, and not as a plaintiff or class member in any purported class action, representative proceeding, mass action, consolidated or joint action. This provision does not apply to class action claims concerning Hair Lab Detroit Barber School acts or omissions regarding the making of a Federal Direct Loan or the provision by Hair Lab Detroit Barber School of educational services for which the Federal Direct Loan was obtained. Hair Lab Detroit Barber School will not seek to rely on this Agreement to arbitrate a borrower defense claim with a student who obtained or benefited from a Direct Loan.

Any remedy available from a court under the law shall be available in the arbitration. Students may, but need not, be represented by an attorney at arbitration. Except as specifically required by the laws of the State of Utah, and all aspects of this arbitration and the underlying dispute shall remain strictly confidential by the parties, their representatives, and the AAA. I agree that any actual or threatened violation of this provision would result in irreparable harm and will be subject to being immediately enjoined. Students understand the information about the AAA arbitration process and the AAA Consumer Rules can be obtained at www.adr.org. Students shall disclose this document to the AAA if they file an arbitration.
